
PREPAID PACKAGES FOR

SERVICES

The application **Teleconnect - Bulk SMS** works on the basis of prepaid packages.

You can choose any of the following packages according to your requirements.

Prepaid Packages for Bulk SMS Services	
SMS package from:	€cent/sms
1000 - 4.000	2.00
4.001 - 10.000	1.50
10.001- ∞	1.30

Having chosen the SMS package, there is a prepayment of the invoice and automatically given a password to the program Gravity Solutions – Bulk SMS.

Notes:

- All above prices are subject to VAT
- Activation of Service is free of charge
- Unique passwords are given to each user
- The packages are not subject to time expiration
